

Have you ever wanted to think about your research —
and write about it — with more ease, clarity, enjoyment?

Apply for a free co-curricular course (7 mornings) offered
to **engineering graduate students** in Winter 2012:

Thinking Creatively About Research

A co-curricular course and research study

**Jan 30– Feb 2 and Feb 27-29, 2012 / 8:30am-12:30pm
at Memorial University**

Apply today—
Spaces are
Limited

To Apply

Email Dr. Cecilia Moloney, cmoloney@mun.ca
(provide your current degree program and field of study)

The Fine Print: Applicants please note:
1) To benefit from the course, you need to be able to commit to attend all 7 morning sessions;
2) Participants will be required to give their consent as subjects in our research study of the pedagogy of “Thinking Creatively About Research.”
