

CSME/CFD2024

Canadian Society for Mechanical Engineering International Congress

31st Annual Conference of the CFD Society of Canada

May 26-29, 2024 – University of Toronto

CSME/CFD2024 – Symposium on Advanced Energy Systems

The Advanced Energy Systems (AES) Technical Committee of the CSME invites you to submit a paper or an abstract in the field of energy systems (conventional and renewable) to the 2024 CSME International Congress. The objective of the symposium is to bring researchers together to share and discuss research findings and future research directions.

Abstract/paper submission:

Abstracts (400 words) and papers (6 pages) are welcomed. Papers submitted by students are eligible for the CSME Student Paper Competition.

Important dates:

Submission deadline – January 29, 2024

Notification of acceptance – March 11, 2024

Early bird registration deadline – April 15, 2024
