

# CALL FOR ABSTRACTS

## First Virtual Atlantic and Eastern Canadian Symposium on Water Quality Research

**November 1-3, 2021**

Supported by:

Canadian Association on Water Quality (CAWQ)  
Carleton University – Global Water Institute  
Network on Persistent, Emerging, and Organic PoLlution in the  
Environment (PEOPLE Network)  
Memorial University – NRPOP Laboratory  
CREATE Environmental Decontamination Technologies and Integrated  
Water and Wastewater Management (TEDGIEER)- Institut National de la  
Recherche Scientifique (INRS)

### Symposium Themes

- *Municipal and Industrial Wastewater Treatment*
- *Drinking Water Treatment*
- *Sludge Treatment and Management*
- *Stormwater Management*
- *Surface Water Quality and Protection*
- *Groundwater Quality and Remediation*
- *Risk and Impact Assessment*

- *Climate Change Impact and Adaptation*
- *Emerging Contaminants*
- *Sustainable Water Infrastructure*
- *Resource Recovery*
- *Water and Public Health*
- *Modelling of Environmental Systems*
- *Indigenous and Small Communities*
- *Other Topics*

## Symposium objectives

Objectives of the symposium are to bring together people in diverse fields of water quality management and research to present achievements and innovations in science, engineering, and policy, and further the exchange of information for public benefit between universities, consultants, industry, and government in Canada and worldwide.

Oral podium presentations along with One-Slide 3 minutes presentations are solicited across the proposed symposium themes. The organizing committee also encourages the submission of high-quality abstracts on themes that are not listed but are based on innovative studies and/or commercial applications that are related to water quality issues.

If you would like to organize a **special session**, please contact conference co-chairs Prof. Bing Chen ([bchen@mun.ca](mailto:bchen@mun.ca)), Prof. Banu Örmeci ([banu.ormeci@carleton.ca](mailto:banu.ormeci@carleton.ca)), and Prof. Patrick Drogui ([patrick.drogui@inrs.ca](mailto:patrick.drogui@inrs.ca)).

## Submission of Abstracts

Authors are requested to submit an extended abstract through the CAWQ symposium website or directly to [peoplenetwork@mun.ca](mailto:peoplenetwork@mun.ca).

The submission deadline is:

**September 17, 2021**

**Extended to September 24, 2021**

## Instructions for extended abstract preparation

In order to facilitate the production of the book of abstracts for all attendees, please follow the format guidelines below.

- Extended abstracts will be accepted. Submitted abstracts should include short sections of introduction, objectives, materials and methods, results and discussion, and conclusion.

- Abstracts should not exceed 1500 words and should not include more than two figures/tables.
- Abstracts should be single-spaced in Times New Roman (12-point font) and left-aligned
- The title (bold 14-point font) should be centered at the top of the abstract
- Author names (normal 12-point font) should be centered under the title
- Author affiliations (italicized 12-point font) should be noted numerically and left-aligned
- Presenting author name should be underlined, with an E-mail address in an endnote (normal 10-point font)
- In order to compete for an award, authors should indicate if they are currently students or Young Water Professionals (YWPs; 35 years of age or younger)

### Students and YWP awards

In order to encourage students' and YWPs' participation and showcasing their talents and the quality of their research, several awards will be given:

- **Philip H. Jones Awards** for the best oral presentation: cash prizes of \$400 to 1<sup>st</sup> place and \$300 to 2<sup>nd</sup> place winner. Both winners will have one-year membership in CAWQ.
- **One-Slide-3-min Presentation Awards:** cash prize of \$200 to 1<sup>st</sup> place and \$100 to 2<sup>nd</sup> place winner. All presentations will be recorded. The winners will be showcased on the CAWQ and conference websites.

### Registration fees

Students and YWPs*	
CAWQ Member	Free
Non-Member (Attending the conference only)	\$40
Non-Member (Conference fees + CAWQ membership)**	\$90
Professionals	
CAWQ Member	\$30
Non-Member (Attending the conference only)	\$70
Non-Member (Conference fees + CAWQ membership)**	\$200

\*Water professionals who are 35 years of age or younger are considered YWPs

\*\*Membership fee includes a one-year membership to the CAWQ. This includes a one-year subscription to the *Water Quality Research Journal*.

Online registration is available on the CAWQ website. <https://www.cawq.ca/en/conferences.html>

## Manuscript submission

Presenters are invited to submit their full manuscripts for the special issues in:

***Water Quality Research Journal***, a quarterly publication by the **Canadian Association on Water Quality (CAWQ)** and the **International Water Association (IWA) Publishing** (<https://iwaponline.com/wqrj>)

***Environmental Systems Research***, an peer-reviewed, open-access journal by the **PEOPLE Network** and **Springer**. (<https://environmentalsystemsresearch.springeropen.com>)

Please consult the **Instructions for Authors** on the websites of the journals.

A large, faint, light blue watermark logo is positioned at the bottom of the page. It features a stylized outline of the map of Canada on the left side. To the right of the map, the text "CAWQ" is stacked above "ACQE" in a large, serif font. The entire logo is semi-transparent and serves as a background element.
