

SYMPOSIUM ON ADVANCED ENERGY SYSTEMS

Symposium Co-Chairs: **Xili Duan, Xianke Lin**

Call for Papers – Submission Deadline: January 15, 2023

THE SYMPOSIUM

The Advanced Energy Systems Technical Committee of the CSME invites you to submit a paper or an abstract in the field of Energy Systems to the 2023 CSME International Congress to be held at the Université de Sherbrooke, Sherbrooke (QC), from May 28-31, 2023.

ABSTRACT/PAPER SUBMISSION

The submissions to the Congress are in two formats:

- Abstract: 400-word maximum
- Full-length paper*: 6-page maximum

** Full-length paper submissions will be considered in the Student Paper Competition. Special issues in international journals will be announced later.*

IMPORTANT DATES

- **January 15, 2023:** Submission of Abstract/Full Paper
- **March 6, 2023:** Notification of Acceptance to Authors
- **March 20, 2023:** Submission of Final Paper (where applicable)
- **April 6, 2023:** Early Bird Registration Deadline

For more information, visit <https://www.csmecongress.org/>
